Evening free	Workshop Dinner	

CIRCULATION OF PAPERS

Papers to be presented at the workshop will not be posted on the web-site. Our experience is that most prefer it that way. But as said, the quality of the workshop depends on prior circulation of papers so that people have time enough to read them. Could you please send copies of your paper to Valerie by **Monday 5th September**. They will then be circulated to all participants.

Looking forward to seeing you,

Valerie Kerruish and Tarik Kochi
